## PLATE REQUEST WITHOUT TITLE

**DE-003D**  
02/19

I, \_\_\_\_\_, purchased a \_\_\_\_\_  
Year Make Model

on \_\_\_\_\_ from \_\_\_\_\_  
Date of Purchase Dealership Name Dealer Number

Located at \_\_\_\_\_  
Dealership Address

This dealership has failed to provide the required documentation to register and/or title the vehicle which I purchased in good faith.

I understand that under certain circumstances, it may be possible for me to get a license plate to allow me or any permittee to drive the vehicle legally. I wish to apply for this plate because my vehicle is of little use to me unless I can drive.

As part of the application for this license plate, I acknowledge the following (applicant's initials required for each):

\_\_\_\_\_ I understand that a registration and license plate may NOT result in a TITLE and may not resolve all legal matters concerning the vehicle.

\_\_\_\_\_ I understand any license plate issued will last no longer than two years, and it will be up to me to resolve any legal matters regarding the vehicle's title.

\_\_\_\_\_ I understand that to qualify for a license plate, I am required to submit all evidence of the sale and/or financing of the vehicle to the SCDMV. I hereby state that I have done so.

***If there is no MCO, title or court order, the customer cannot renew the plate when the two years have ended.***
