South Carolina Department of Motor Vehicles Application for Approval of Specialty Plate

RG-504A

(Rev 8/13)

Page 2 of 2

In order to request approval for a specialty plate governed under this policy, the sponsoring organization or individual must provide the following:

A request for consideration on the sponsoring organization's letterhead.

A completed Application for Approval of Specialty Plate, Form RG-504A.

Written authorization for the use of any copyrighted or registered logo, trademark, or design to be used.

Sponsoring organizations may designate an individual or organization to act as an agent on behalf of the sponsoring organization. Organizations assigning an agent individual or organization must complete form RG-504D to authorize the Department's dealings with the agent.

License plate artwork for the design of the plate on CD/diskette in specified graphic format, and one (1) color hard copy of the artwork.

A marketing plan that includes target audience, media to be used, and text of media messages.

The required non-refundable \$6,800 application fee to defray the initial cost of production must be submitted with application unless required by law.

Non-profit organizations must meet all the requirements above plus provide:

Documentation from the Internal Revenue Service showing that the organization currently has a 501(c)(3), 501(c)(6), 501(c)(7), or 501(c)(8) tax exempt status.

Documentation in the form of prior tax returns or other documentation from the Internal Revenue Service showing that the sponsoring organization has maintained the same tax-exempt status for at least five years prior to the date of application.

Because only the sponsoring organization can make application for a plate design the sponsoring organization must provide proof of its non-profit status.

Organizations that are requesting funds from the sale of plates must also submit Internal Revenue Service form W-9 before any funds can be distributed by the Department.

The Department will return incomplete applications to the sponsoring organization's contact individual, detailing additional items required before the Department will consider the application.

The Department can choose to reject the production of any plate based on any of the following characteristics of the plate:

- Failure to promote a positive image for the State
- Low projected sales, lack of statewide appeal
- Controversial, low sales, or litigation in other states
- Production considered not to be cost beneficial to the state
- Partisan or misrepresentative of the sponsoring organization or another organization
- Potentially offensive, controversial, or inappropriate to the public
- Similar plate/design already exists
- Proliferation of specialty plates, workloads and costs to the state
- Impinges on Advertising/corporation concerns
- Use of proceeds from plate sales considered controversial or in violation of statute/constitution
- Sexual or vulgar connotation
- Derogatory reference to an individual or group
- Implication extolling alcohol, drugs or other illegal activities or substances
- Misrepresentation of organization as law enforcement or other government entity
- Use of copyrighted emblem, seal, symbol, logo or registered trademark without written authorization from the owner
- Design interferes with legibility or readability of plate number

The Department will review the Application and will notify the organization's authorized contact of the Department's decision. If the application is approved, the organization must submit \$6,800 before the plate will be manufactured.
