MEDIA ADVISORY

Columbia, S.C. – June 16, 2003 – The South Carolina Department of Motor Vehicles will begin offering additional online services on Wednesday, June 18, 2003. Customers will be able to renew identification cards, obtain duplicate driver's licenses and duplicate registration cards.

Customers accessing the DMV website will submit identifying information such as a driver license number and social security number. DMV will accept VISA, Master Card and Discover card payments for online services. No additional fees will be charged for online services.

The DMV website address is www.scdmvonline.com.

Non-United States citizens may not renew, change or replace their DMV identification or driver credentials using online services. They must visit one of the 16 DMV offices across the state designated to serve non-United States citizens.
