Blythewood, SC – The South Carolina Department of Motor Vehicles (SCDMV) will begin issuing two new specialty license plates on June 4. The Hunting Island State Park license plate and the Donate Life specialty license plate will be available at any SCDMV field office.

The fee for the Hunting Island State Park plate is \$50 every two years in addition to the regular motor vehicle registration fee. A portion of the fees collected will go toward The Friends of Hunting Island State Park, Inc. for use on projects benefiting the park.

The fee for the Donate Life plate is \$30 every two years in addition to the regular motor vehicle registration fee. A portion of the fees collected will go toward promoting organ and tissue donation in South Carolina and providing patient assistance to transplant recipients.
