REPOSSESSION

1. To register a repossessed vehicle, the following forms are required:
 - S.C. title showing recorded lien
 - Form 400 - Application for Title and Registration
 - Form 4034 - Repossession Affidavit
 - Form 4031 - Secured Bill of Sale
2. The Form 400 should be completed by the applicant for registration and title. A license plate may be transferred from a vehicle of the same general classification owned by the same person to this newly acquired vehicle, otherwise, a paid tax receipt must be furnished and a new license plate purchased.
3. The Form 4034 must be completed in every detail, and submitted with the title. When reassigned, if the sales tax is collected, enter sales tax number in the space provided on the reverse side of this affidavit. AN INCOMPLETE AFFIDAVIT WILL BE RETURNED. Particular attention is called to the paragraph beginning with "Under penalties of perjury...". This paragraph now requires certification that all other lienholders have been notified as well as that all facts stated are true and correct.
4. The Certificate of Title must be assigned and on S.C. Titles dated prior to June 19, 1989, the Form 4031 must be completed in detail indicating the sales price and odometer mileage of the vehicle.
5. To register a repossessed vehicle registered in another state, the application must be accompanied by the out-of-state title or if from a non-title state, the registration of the former owner must accompany the application. Verification by the out-of-state Bureau of Motor Vehicles may be acceptable.
6. Value received is necessary in cases when excise or use taxes must be collected by the South Carolina Department of Motor Vehicles.
