GOLD STAR FAMILY LICENSE PLATE AVAILABLE

Blythewood, SC – The South Carolina Department of Motor Vehicles (SCDMV) announced today the availability of a new Gold Star Family specialty license plate.

The Gold Star Family license plate is available to family members of military service personnel killed in action or while in service. To obtain the Gold Star Family plate, customers must present military documentation of their family member's death. The plate fee is \$30 every two years in addition to the regular motor vehicle registration fee.

“Several other states offer Gold Star Family license plates and I am pleased that South Carolina has joined them. The plate serves as a memorial to the service men and women who sacrificed so much for this country,” said SCDMV Director Marcia Adams.
