

SCDMV Dealer Connection

Updates from SCDMV to You

New Title Application (Form 400)

The Form 400, Application for title, has been revised based on customer feedback. In addition, a Form 400-D, Duplicate Title Application, and Form 400-L, Application to Record/Update a Lien have been developed to streamline the duplicate title and lien recording process for customers.

The old version of the Form 400 will be accepted until advised otherwise. SCDMV Warehouse will distribute the old version of the Form 400 until exhausted (stock is estimated to be exhausted within 4 weeks). Prior to distribution by SCDMV Warehouse, the new Form 400 will be available online. Therefore, when ordering from the warehouse, the old Form 400 may still be received if the old stock has not been depleted. The Form 400-D, and 400-L, is only available online.

Form 400 Changes

- ◆ The name of the form has been changed to "Title Application".
- ◆ Agency Reference Number and Salvage information has been removed. The Form 400-S should be used to request a salvage title.
- ◆ Note different section letters and changes therein:
 - **Section A – Vehicle Information**
The following fields have been added to this section as they apply to the vehicle information:
 - ◇ Transfer Plate Number
 - ◇ Housed Address
 - ◇ Date of Purchase, Date First Operated
 - ◇ Energy Efficiency Indicator for Manufactured Homes
 - **Section B – Odometer Mileage** (no changes to this section)
 - **Section C – Owner Information**
 - ◇ The leasing company information has been added to this section. Complete the leasing company information only if the vehicle is leased. The lessee should be entered in the owner/registrant's portion of this section.
 - ◇ Social Security Number has been removed from this section. The Social Security Number is required only for vehicles with a GVWR of 26,000 lbs. or bus common carrier (See Disclosure Statement).
 - ◇ Temporary Address has been removed. Customers may complete the Form 4057, *Change of Address*, or go online to add a temporary address to their customer record.
 - **Section D – Lien Information**
If there is a second lien, the lien holder should complete a Form 400-L.
 - **Section E – Sales Tax/IMF Exemption**
 - ◇ Applicable Military Exemptions have been added.
 - ◇ Active Duty Non Resident when a purchase is made by non-resident military personnel on active duty (exempt from 5% up to \$500), or when moving into the state (exempt from \$250).
 - ◇ Spouse/Dependent when moving into the state (exempt from \$250).
 - ◇ Indication for tax credit for taxes paid in a reciprocal state.

IMF Reminders

- SC Code of Laws Section 56-3-627(B) requires that if the dealer holds a SC retail license or offers to license and register a vehicle, then the dealer **must** collect the IMF fee and remit it to DMV.
- For vehicles where **sales** taxes are still due, but are presented for titling (i.e. ATVs, Go carts, Golf Carts, Mopeds purchased prior to November 19, 2018), be sure to indicate the retail sales tax ID on the Form 400. Retailers will report the state sales tax on these items to SCDOR; but, when presented for titling, SCDMV must have an indication that sales taxes will be reported by the retailer. If the owner presents the application for titling after purchase from a SC retailer, the owner will need the retailer's sales tax ID, or a receipt (invoice, bill of sale) indicating sales taxes were collected by the retailer.
- When titling in the dealership's name, SC Dealers should indicate in the Dealer's section of the Form 400 if the vehicle is for Dealer Use, Retail Purposes or Rental purposes. No IMF will be due if one of the three is indicated by the dealer.

Form 400-D – Duplicate Title Application

This form is used to apply for a duplicate title only. Customers may still submit the Form 400 for duplicate title by completing Sections A, C, H (if applicable) and I. Using the Form 400 to apply for a duplicate will not be rejected if the required information is completed; however, the Form 400-D is a much simpler form.

Note that there is no space for the customer's address. The duplicate title will be mailed to the address on record with SCDMV or to the lien holder if a lien is listed. Ensure the mailing address is correct with SCDMV and make changes online or by submitting the Form 4057 before requesting the duplicate title.

If requesting a duplicate title by mail, the lien holder may request the title to be mailed to a different address than is on file with DMV by completion Section E, of the Form 400-D.

If there is an existing lien on the vehicle, the lien holder does not need the owner's signature on the Form 400-D. The lien holder may sign the application.

Form 400-L – Application to Record/Update a Lien

This form is used by financial institutions to record or update a lien on an existing title. Customers may still submit the Form 400 to record a lien by completing Sections A, B (if applicable), C, D, H (if applicable) and I. The Form 400 will not be rejected to record a lien if the required information is completed; however, the Form 400-L is a much simpler form to use for this purpose.

The current odometer is not required to record a lien on an existing title. However, the odometer will be updated if indicated on the Form 400-L as long as it is greater than the existing odometer (or applicable for exempt status).

If a duplicate title is needed, the lien holder may request a duplicate in order to record the lien by indicating the request on the Form 400-L. To record a lien and obtain a duplicate title, \$30 must be submitted (\$15 to record the lien and \$15 for the duplicate title). This prevents the customer from having to complete a duplicate title application and an application to record the lien.

The vehicle owner's signature is required on the Form 400-L unless the lien holder has power of attorney to sign for the owner.
