INSTRUCTIONS

- NOTE:** If it is available, the previous certificate of title must always be turned in to the Department. If the certificate of title is not available, the Department will inform you what documents are needed. The Department will not issue you a title based on this affidavit alone.
1. You must complete form 400 (Application for Title). If you are purchasing a license plate or transferring a plate from another vehicle to this vehicle, you must also complete Section 2 of the Form 400.
 2. You must turn in the previous certificate of title and/or registration with this form and the application for title, if applicable.
 3. The title to the vehicle must be properly assigned to you. Any lien listed on the title must be released or cleared.
 4. If no previous title is available, the current owner of the vehicle, trailer or mobile home must submit the following in order to receive approval to title a vehicle, trailer or mobile home:
 - a. Affidavit of Ownership, Form TI-021A, to include the vehicle and current owner information, and a statement indicating how the vehicle, trailer or mobile home was acquired to include in detail how, where and when the owner acquired the vehicle, who were the seller(s) and/or lien holder(s), the condition of the vehicle, trailer or mobile home and any other information regarding the vehicle, trailer or mobile home.
 - b. Photographs of the vehicle, trailer or mobile home from all angles (photos will not be returned).
 - c. Vehicle Identification Verification for Title without Previous Title, Form TI-021B from a SCDMV official. The vehicle must be taken to a local DMV branch by the customer for an inspection if the customer wishes to obtain a South Carolina title.
 5. If a unique identifying number is not affixed to the vehicle, the customer will be required to apply for an assigned serial number from the Department.
 6. If the Affidavit of Specially Constructed Vehicle indicates that the vehicle is not operable, the vehicle will be branded "Not for Road Use". In order to remove the "Not for Road Use" brand, the vehicle will have to be re-inspected with an indication to remove the "Not for Road Use" brand.
 7. A bill of sale and/or receipts for parts and any custom kit documents used to rebuild or make the vehicle must also be attached.
 8. A paid personal property tax receipt in the owner's name is required to purchase plates for the vehicle. The tax receipt should be for the current year.
 9. You must pay for a title, and, if applicable, a registration fee and casual sales tax or excise tax on the vehicle.
 10. A Reconstructed Vehicle is a vehicle type required to be registered materially altered from its original construction by the removal, addition, or substitution of essential parts, new or used.
 11. A Kit Car is a car sold as a set of separate components, designed to be assembled by the purchaser.
