

South Carolina Department of Motor Vehicles

APPLICATION FOR MANUFACTURER PLATES

MA-01
EST. (09/2025)

Applications must be mailed to: SCDMV, Mail in Titles and Registration, P.O. 1498, Blythewood, SC, 29016-0038.

Pursuant to S.C. Code §§56-3-2330 The license plates must be used exclusively on motor vehicles, including motorcycles, owned or in the possession of a manufacturer. They may not be used to operate wreckers in use by the manufacture nor to operate vehicles leased or rented to the public by the manufacturer

RULES & REGULATIONS

1. A motor vehicle manufacturer is defined as a person in the business of manufacturing or assembling new and unused vehicles in this state.
2. New applicants must provide proof of bona fide manufacturer status. Acceptable documentation may include Articles of Incorporation or business registration, a manufacturer's license or certification, facility documentation verifying a manufacturing location in South Carolina, or federal manufacturer credentials (such as a World Manufacturer Identifier).
3. The Department of Motor Vehicles may issue no more than **500** manufacturer license plates to a motor vehicle manufacturer.
4. Vehicles with manufacturer plates may be operated by persons authorized by the manufacturer on vehicles of that manufacturer's brand on state streets and highways for testing, distribution, evaluation, and promotion of vehicles.
5. The fee for each manufacturer plate issued is \$200.00 and is valid for 2 years

The fee for a Manufacturer Plate is \$200.00
